Priorities and Opportunities

Rigorous, Community-Connected Classroom Instruction and Expanded, Enriched Learning Opportunities

Increase enrichment opportunities that connect to post-secondary education and career paths and increase support to families to understand academic/school system platforms.

Collaborative Leadership, Shared Power, and Voice

Increase access to information and utilization of resources that support family understanding of policies, resources, student performance; Increase opportunities for families and students to participate in planning and implementing programs and activities within the school; and utilize models provided by programs such as Title I to ensure that systems and processes are in place and inclusive leadership is practiced with fidelity.

Integrated Systems of Support

Leverage partnerships with government and community agencies to provide support to students and families on-site and within the community.

Culture of Belonging, Safety, and Care

Increase intentional communications that foster welcoming and inclusion; integrate cultural awareness themes into curricular activities and career and life readiness initiatives; develop consistent policies and procedures for implementing PBIS strategies that support appropriate student and staff behaviors in an academic/professional environment.

Powerful Student and Family Engagement

Leverage community partners to support increased opportunities for family engagement events that build trust and rapport among members of the school community.
