Value: Every HCPSS stakeholder feels empowered and rewarded in their roles and takes pride in cultivating the learning community.

Connect: Students and staff thrive in a safe, nurturing, and inclusive culture that embraces diversity.

Achieve: An individualized focus supports every person in reaching milestones for success.

Empower: Schools, families, and the community are mutually invested in student achievement and well-being.

- Address assumptions regarding post-secondary capabilities of our students
- Work to educate staff and our families about increasing expectations of our students (DEIL/BSAP liaison/Community School Coordinator)
- Work collaboratively to increase staff understanding of CTE pathways and CRD coursework and expectations.

Target: School Climate

Statement of Commitment: We commit to holding community building activities on a weekly basis in a variety of ways in classrooms and schoolwide.

Strategies: A variety of learning opportunities will be provided to staff to include professional development, informal observations, PIP, collaborative sessions to teach community building strategies and specific ways to implement them.
